

# Payment Options

You may pay your child's tuition and other fees by cash, check or debit/credit card. Payments can be made at the front desk.

We also offer you the option of using recurring billing, which will be set up at the beginning of the dance year. After the initial set up, you don't have to worry about remembering to come into the studio to make a payment!

In order to have your monthly tuition automatically drafted from your account each month, please fill out the following information and drop it off at the front desk or mail it to the studio.

Your tuition will be drafted from your account on the 15th of each month, for 9 total transactions.
